

Biological Sciences Seminar

Dr. Chris Pires
University of Missouri

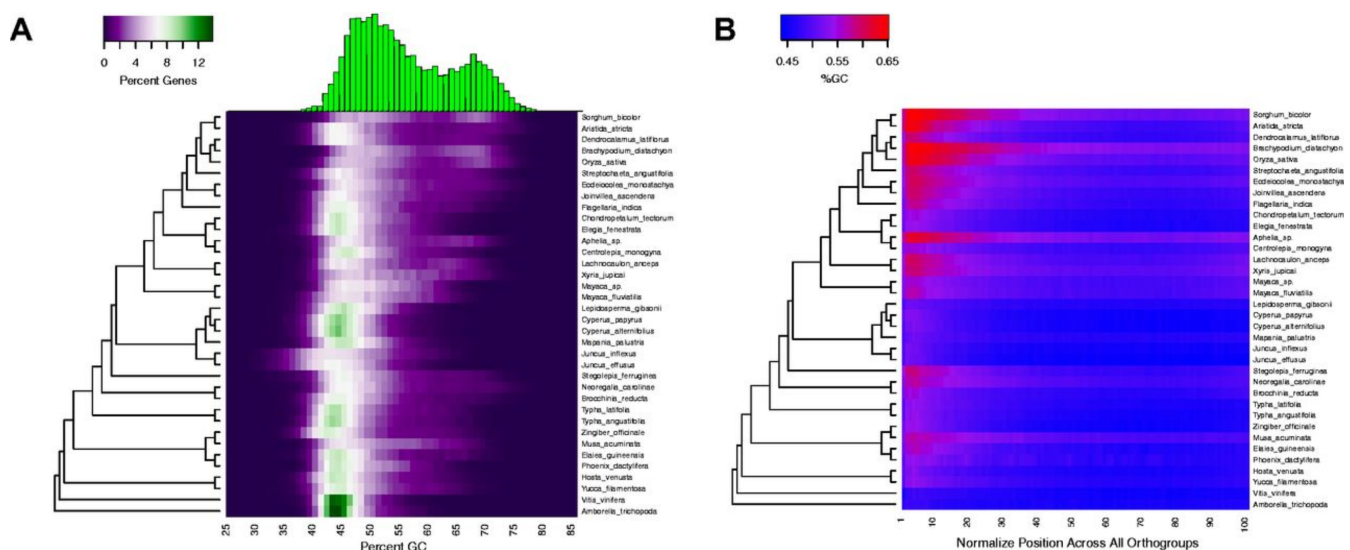

"Polyploidy and the origins of novelty: Impact of duplication on genomes and network evolution"

Date: **Thursday, 4 May**

Time: **4:00 PM**

Place: **SCEN 604**

Evolution ♦ Genomics ♦ Systems biology ♦ Phylogenetics

Pre-seminar meet-and-greet at 3:30 PM in SCEN 502
