

Biological Sciences Seminar

Dr. Andrew Leslie
Brown University

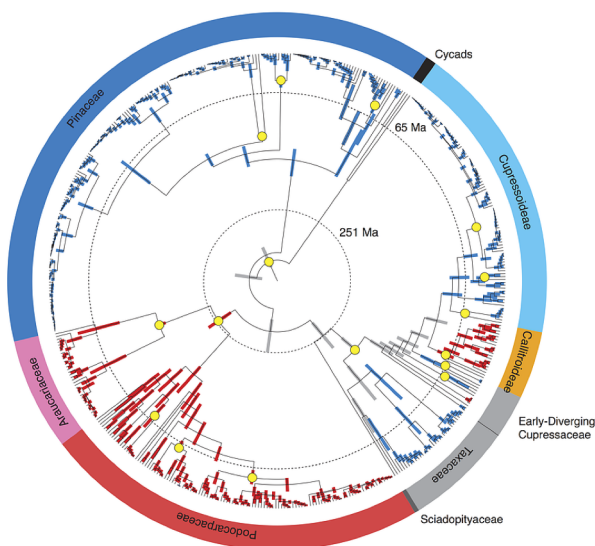

How useful are molecular phylogenies for understanding evolution in deep time? Examples from the fossil record of conifers

Date: **Thursday, 6 December**

Time: **3:30 PM**

Place: **SCEN 604**

Evolution ♦ Conifers ♦ Fossils ♦ Phylogenetics

Pre-seminar meet-and-greet at 3:00 PM in SCEN 502
